Revised Rules for Bonding Salt passed by the Board of Revenue L. P. in their letter to the Collector of Customs, No. 234, of 29th March, 1853, and published for general information.

I. Parties desirous of bonding imported Salt in private Warehouses, may apply to Collector of Customs for a License in the form C. appended to Act No. XXV. of 1836.

If the Board are satisfied, on the Collector's Report, that the Warehouses mentioned in the application are well adapted for the secure custody of the Salt, a License will be granted under Section XIX. of the abovementioned Act, and Salt may then be bonded therein under the restrictions provided by the Act in respect of any other article of Merchandise bonded in a private Warehouse.

II. Warehouses licensed for the reception of Salt under Bond, will not be available for goods of any other description.

III. A portion of the Government Golahs at Salkea has been set apart as a public Warehouse for the reception of Salt on the same terms at a fixed rent, and will continue to be available for that purpose until required by Government.

IV. All weighing transport and storage charges will be borne by the Bondor, as also all delivery charges on the Salt being cleared out from Bond.

V. The Salt will be weighed over the Ship's side, for which purpose weighmen will be furnished from the Custom House on requisition from the Bondor, and on his complying with the forms lately prescribed by the Board for their remuneration at the rate of 3 Rupees per 1000 maunds.

VI. The Bondors will be required to make use of covered boats, and to provide wax and tape for sealing the hatches. Each boat will be sealed by the Preventive Officer on board, and be furnished at the same time with the usual Boat Note, specifying the quantity placed under Seal. [Vide Notification in "Exchange Gazette" of the 11th May, 1853.]

VII. Bonded Salt will be stored under the supervision of an Officer deputed for this purpose by the Collector of Customs or the Superintendent of the Government Golahs, and it will be the duty of such Officer to receive and examine the Boat Notes, and to see, that the Seals of the hatches are entire. The Salt will not be weighed into Warehouse, but in other respects the precautions in use for storing Government Salt will be observed.

VIII. The Superintendent of the Government Golahs will Report for the Board's sanction such disbursements as may be necessary for preparing Golah accommodation, or for Extra Establishment, on account of Salt Warehoused in the Golahs, all of which will, after audit, be charged to the fund derivable from Golah rents.

IX. Any Extra Establishment that may be necessary for the surveillance of Salt lodged in private Warehouses, both while it remains in Bond and on delivery, must be paid by the Bondor.

X. In settling for duty on the clearance of Salt warehoused in the Government Golahs, a deduction will be allowed on account of wastage, at a rate not exceeding two and a half per cent. upon the quantity delivered over the Ship's side. Provided, however, that if the Collector of Customs have reason to believe, that any portion of the Salt has been clandestinely or fraudulently removed, he will be at liberty to levy duty on the entire quantity so delivered.

XI. For Salt deposited in private Warehouses, the duty will be settled on the quantity weighed over the Ship's side, according to the provisions of Section XVIII. Act XXV. of 1836.

XII. Parties desiring to Bond Salt, who may be unable to provide Warehouses so constructed and situated as, in the opinion of the Board, effectually to provide for the secure custody of Salt while under Bond, will be allowed, as before, to Warehouse their Salt under the Rules of the 28th September, 1841.

NOTICE.

With reference to the draft of a proposed Act, which was read in Council for the first time on the 13th May, 1853, entitled "*An Act for the management of the Post Office and for the regulation of the Duties of Postage.*" Messrs. R. C. Lepage and Co. have much satisfaction in referring their constituents and the Indian Public to *Annex 12*, which provides for the circulation of Books, Pamphlets, &c., packed in prescribed form.

R. C. Lepage and Co. would take this opportunity to draw the particular attention of all those interested in the *QUARTERLY ARMY LIST*, published by them for the benefit of the Military Orphan Society, to the fact, that after the Act becomes law, the subscription to that publication will be as follows:

ANNUAL SUBSCRIPTIONS, TO INCLUDE POSTAGE TO ANY PART OF INDIA, PAYABLE IN ADVANCE, TWELVE RUPEES EIGHT ANNAS.

R. C. L. and Co. would, however, wish it to be generally known that, to ensure this advantageous rate to subscribers it will be necessary for them [R. C. L. & Co.] to prepay the postage on every copy despatched, and that should the subscription including postage not be remitted when due in advance, copies will be forwarded to all such parties *bearing postage* under the banyhy postage scale of charges by weight and distance.

R. C. L. and Co. have much pleasure in stating that the circulation of the *Army List* from its commencement in 1849 (with the draw-back of the postal restrictions) has been of the most encouraging kind, and as it may be reasonably anticipated that a large number who have hitherto withheld their support will entail themselves as subscribers, R. C. L. and Co. will be glad to receive intimation of the same at an early date, in order to provide against disappointment, by printing such a number of each impression as will supply all requirements.

The whole impression of No. 16 for January last, was disposed of; and of No. 17 for April last, only a few copies remain unsold.

NOTICE.

With reference to the draft of a proposed Act, which was read in Council for the first time on the 13th May, 1853, entitled "*An Act for the management of the Post Office and for the regulation of the Duties of Postage*," Messrs. R. C. Lepage and Co. have much satisfaction in referring their constituents and the Indian Public to CLAUSE 12, which provides for the circulation of Books, Pamphlets, &c., packed in prescribed form.

R. C. Lepage and Co. would take this opportunity to draw the particular attention of all those interested in the **QUARTERLY ARMY LIST**, published by them for the benefit of the Military Orphan Society, to the fact, that after the Act becomes law, the subscription to that publication will be as follows:

ANNUAL SUBSCRIPTION, TO INCLUDE POSTAGE TO ANY PART OF INDIA, PAYABLE IN ADVANCE, TWELVE RUPEES EIGHT ANNAS.

R. C. L. and Co. would, however, wish it to be generally known that to ensure this advantageous rate to subscribers it will be necessary for them [R. C. L. & Co.] to prepay the postage on every copy despatched, and that should the subscription including postage not be remitted when due in advance, copies will be forwarded to all such parties bearing postage under the banghy postage scale of charges by weight and distance.

R. C. L. and Co. have much pleasure in stating that the circulation of the Army List from its commencement in 1849 (with the drawback of the postal restrictions) has been of the most encouraging kind, and as it may be reasonably anticipated that a large number who have hitherto withheld their support will enrol themselves as subscribers, R. C. L. and Co. will be glad to receive intimation of the same at an early date, in order to provide against disappointment, by printing such a number of each impression as will supply all requirements.

The whole impression of No. 16 for January last, was disposed of, and of No. 17 for April last, only a few copies remain unsold.
